Casale del Giglio 2020 Bellone Radix

, Lazio

White wine from Italy

Drinking window: 2026 - 2032

The 2020 Bellone Radix has a remarkably pretty nose of wild flowers, crushed stones, chamomile and dried apricots. Standout minerality offsets nearly oily textures and notable weight, adding a crunchy sensation as tart green apple notes saturate. Hints of hazelnut custard and crushed pears resonate through the long, saline finish. The Radix matures for two years in tonneaux and eight months in amphora, which adds to its textural depth.
