Casale del Giglio 2023 Tempranijo

, Lazio

Red wine from Italy

Drinking window: 2027 - 2032

The 2023 Tempranijo is dark, brooding and savory, with black raspberry, musky plum, sage and blood sausage on the nose. This possesses a balanced inner sweetness, brisk acidity and ripe red and black fruits. The 2023 leaves a chewy concentration with a subtle balsamic tinge and hints of licorice. The berries were partially air-dried on the vines prior to harvesting, leading to an intense but harmonious expression.
